

GAETANO INDOOR - IMPORTANT INFORMATION

MARCH 23, 2020

Attention coaches, team reps, players and spectators,

It has been a week since Gaetano Indoor officially closed its doors to the public, and we trust that everyone is doing well, and trying their best to stay safe. The ongoing Coronavirus (COVID-19) outbreak has turned all of our lives upside down, and we are all trying to deal with the situation, the best we can. **Obviously, based on the stricter restrictions that Governor Murphy recently put in place, we will continue to stay closed.**

In regards to the remaining indoor session, our intent for the time being is to resume, and complete said session. Please keep in mind that nothing is set in stone, and we will not even consider forming any type of schedule until the current restrictions are lifted, and we have a better idea as to if and when we can open our doors again.

For the time being, we ask that everyone do their best to limit their inquiries, in regards to the current indoor session. If anything changes, and there is a need for an update, we will use both email and our text reminder system.

You are also encouraged to continue to visit our Facebook, Instagram and Twitter pages for any potential updates.

From our family and staff we would like to thank everyone for their continued support of our business. Take care, and once again, please try to stay safe.

Sincerely, the Gaetano Family
